

The Dayton & Springfield Cleaner Fleets - Cleaner Air Conference, November 13, 2003 will feature information about:

Biodiesel • Electric and Hybrid
Electric • Ethanol • Hydrogen •
Natural Gas • Propane

These fuels and technologies ...

- Are cost competitive;
- Reduce vehicle emissions to help comply with air quality standards;
- Protect public health;
- Are domestically produced to increase national energy security;
- Are often produced within Ohio to support our economy;
- And reduce climate change emissions.

The conference is presented by:

Statewide Sponsors Include:
Ohio Air Quality Development Authority,
Ohio Department of Development,
Ohio Soybean Council,
Ohio Propane Education and Research Council,
Ford Motor Company
U.S. Department of Energy

Central Ohio Clean Fuels Coalition
930 Kinnear Rd.
Columbus, OH 43212

The Cleaner Fleets — Cleaner Air project is a collaborative effort between the Central Ohio Clean Fuels Coalition and Earth Day Coalition's Northeast Ohio Clean Fuels Program to increase Ohio's use of Clean, American Fuels.

The Dayton & Springfield Cleaner Fleets-Cleaner Air Conference

November 13, 2003

9:00 am - 4:00 pm

Sinclair Community College
Building 12, Earley Auditorium
Dayton, Ohio

An event for
fleet decision
makers, local
and state govern-
ment officials,
energy security
advocates and
concerned
citizens.

The conference is
sponsored and
presented by:

Miami Valley Regional
Planning Commission

Montgomery County

Central Ohio Clean
Fuels Coalition

Northeast Ohio Clean
Fuels Program

Conference attendees will...

Gain practical knowledge about cleaner, American fuels and vehicles, including benefits, costs and options;

Understand how to develop a strong project that is right for your fleet;

Hear from other fleet managers about successful American fuels projects involving their fleets;

Learn about funding sources for these projects;

Leave with a Clean American Fuels Fleet Managers Resource Binder and CD;

Be eligible for specific follow up consultation and analysis to help develop a clean fuel project for your fleet.

Conference Cost:

The generosity of our sponsors has enabled us to offer the conference program, materials, lunch and refreshments and free event parking at a greatly reduced cost.

Early Registration (by Oct. 30) \$20

Late Registration (after Oct. 30) \$30

Registrations after Nov. 7 will be allowed, space permitting, but will not include lunch.

Confirmations and driving directions will be sent via email to registrants.

The registration fee will be refunded in full only if written cancellation is received by email, mail or fax by November 7.
